

The Visitor

"We are the family of God!" This theme of Homecoming Sunday, September 8, reminds us why it will be so good to join together in worship after the summer's various activities.

We share:

- a passion, but we are more than a gathering of fans.
- fellowship, but our objective is more noble than fun.
- a relationship with Jesus Christ provided by our beneficent

parent God and enlivened by the Spirit. We are a faith-family! When one suffers, we all suffer. When one has a need, we all turn to meet the need. When one celebrates, we all celebrate.

On Homecoming Sunday, we will be 4 Sundays from an even bigger celebration: our 200-Year Jubilee! Like most families, we have cherished folks whose journeys have taken them to other places. Every family has history, and every church has seen people come and go for various reasons. Everyone who has been a part of Tabernacle's history is welcome to celebrate with us the faith-formation ministry of TBC through the years. Join in this "faith-family reunion" on Oct. 5 and 6!

Saturday will feature:

- 1) An Open House from 2-4 p.m. with fun for all ages (including animals from the Utica Zoo) and informational community displays. Of course, there will be refreshments and historic displays. Come and catch up with friends you haven't seen for a while, including former TBC pastors and staff from near and far.
- 2) From 3-4 p.m., music will be offered in the sanctuary where you can walk around or sit and enjoy a slideshow highlighting Tabernacle through the years and today.
- 3) A reunion program from 4-5 p.m. presents voices from the generations sharing about what Tabernacle Baptist Church has meant to them.

Thanking God for all of you!

Debbie

“Going to Niagara Falls Mission was a very eye-opening experience. Being able to witness God’s love and presence in the areas we worked was heart warming for everyone. God can

be utilized in every setting, no matter how small or big they may seem. I hope our fellow youth at church will be able to experience this trip. “ Dah Eh
